My dashboard

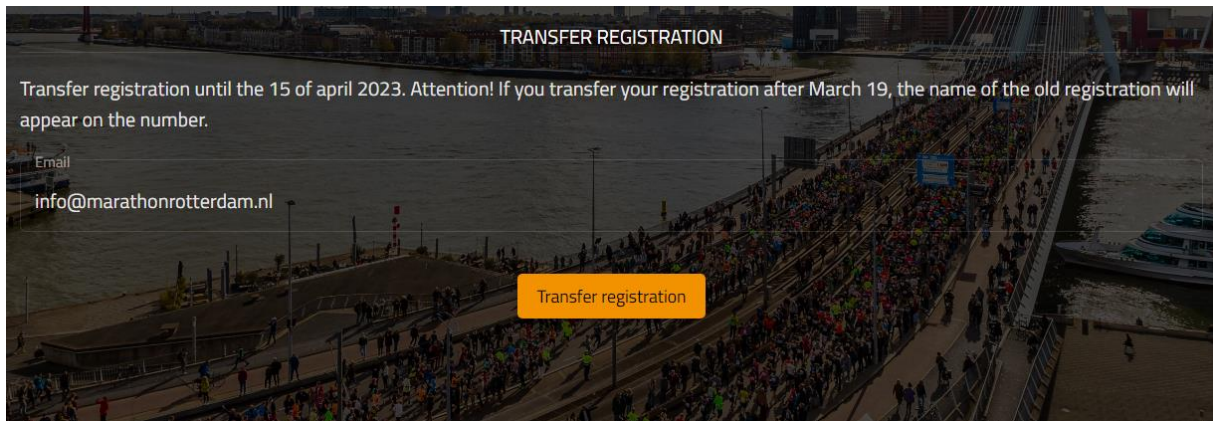

Step 2

You can transfer your bib number via your dashboard. In your dashboard you will find the following function to transfer your registration;

Enter the e-mail address to whom you want to transfer the registration. A button "transfer registration" becomes visible, click on "transfer registration";

Step 3

The person to whom the registration has been transferred will receive an email from us. Click on "start transfer" in this email to take over the registration;

Participate in NN Marathon Rotterdam 2023

Nice that you want to participate in the NN Marathon Rotterdam. Click on the button below to transfer the registration for Kwart Marathon Rotterdam.

If the transfer takes place after March 19th, the start number will contain the name of the old participant, and make sure you exchange information regarding the start number.

Attention! The possible sales costs need to be handled by the participants themselves.

Attention! The possible sales costs need to be handled by the participants themselves.
